## REQUEST FOR CONSIDERATION

A Petition to Revive the above-identified patent application was filed on March 6, 2006. The Petition included a Response to the outstanding Office Action and a statement that the entire delay in filing the required reply was unintentional.

The Petition was dismissed in a Decision mailed September 24, 2007 for failure to include the required filing fee of \$1,500. Attached herewith is a duly executed authorization to charge the applicant's deposit account. Reconsideration of this Petition is therefore respectfully requested.

Respectfully submitted,

Dated: October 2, 2007
